JUNE 2014

EDITORIAL

I have seen less and less support for the club and class. It's time for some of you to hear this.

A Club does not exist just so people can be a member. The Club needs support from all of it's members. Example One: Recent Anniversary Dance. Extremely poor attendance from our members. Example Two: Class 1/2 Way Dance. Extremely poor attendance from our members.

Ask yourself why you are a member. If you don't come out and support the class and club dances, then why do you identify with the Boys 'N' Berries.

We should have more members at every dance than any other club.

Please wake up and come out. Class is done and Summer workshop begins. Brush up this Summer and spend some time with your friends at Boys 'N' Berries.

Thank you,
Ron Editor

Presidents Message

Summer Time is workshop time. Starting Tuesday, June 3rd, there will be dancing each Tuesday as usual with all the calls being reviewed.

It's a good time to brush up on the calls or just come out to enjoy the dancing. Workshop will be June 3rd thru August 26th, 7 p.m. to 9:30 p.m. I'll see you all there.

I hope everyone has some fun vacation plans for the summer. It's great to get out, enjoy and see our country. It's always good to see and do new things. Maybe you'll just be revisiting your favorite places. My favorite place is the mountains, even though I visited this years ago I'll go back to Glacier National Park and Mr. Rainier National Park. There you will find some of the most beautiful scenery in the U.S.A.

SPRING FLING – LAST NOTICE

Come one, come all to the Spring Fling on June 1st. It will be at the Hawthorne Memorial Center in the Polaris Room. This is the South Bay/Westside District’s annual student level dance. Our own Bill Gipson will be one of the callers, so let’s go and support him. Dave Donaldson will also call. Another good reason for going is a chance to buy that Square Dance item that you’ve been wishing for. Not only do they have racks and racks of clothes, but also the accessories. I will be going, and if anyone would like to ride with me you are welcome. My car will hold 4 passengers.

TOPICS BROUGHT UP AT THE ASD GENERAL MEETING

1. Music: Encourage callers to update their music so that young people will like it.
2. Doctors: Ask your doctor if you can help him stress the importance of physical activity by leaving a brochure or bookmark in his waiting room. ASD is preparing these for distribution.
3. Clothing: Put on your publicity “square dance attire optional” rather than “short pants dance”. Many people don’t like to wear short pants and they don’t want to feel they have to wear them to go along with the theme.
4. Families: Encourage acceptance of whole families. One idea was to let youth under 16 years in free if parents pay regular donation for themselves. Put this in your publicity about your new beginning classes.

From the Kitchen

Aloha Members,

It’s Spring and the flowers are in bloom and the sun is shining. Hope all is well with you and yours. Our Anniversary Dance was again disappointing, only had 3 squares. Thank you to all those that helped in the kitchen in the month of May, with Tuesday’s Class and the Club Dance, you are the best.

June 7th is our “Luau Dance”. The Kitchen will be providing meatballs and sauce and the Club Members will be providing their favorite Luau dishes. Hope all our members will plan on attending this dance and wear your best Luau Clothes. See you in a square when the music starts or in the kitchen when it’s time to eat.

July 5th is “Our Freedom Dance”. It is a short pants dance and the color theme is Red, White and Blue. Club Members are to provide: Jello of any kind, color or shape. Mark your calendars for this dance is going to be fun.

A special “**thank you**” goes out to all the members who always seem to be on hand to give a hand in the kitchen. Steve and Karen are always ready to help set up the kitchen on Tuesday’s Class. Barbara and James are a big help in the clean up after Class. Joan Klaus always helps when she is at our monthly dances. Thanks to the angels who attend our Tuesday class who supply food and help in the kitchen. Alma is my right hand lady, without her my job would be overwhelming. To all of the Club Members who always bring the best food and the right amounts to our dances each time you are asked. And also to all those who pitch in when we need you...Hugs from the kitchen.

Until Next Month,
Keep on Dancing

Joan
